

Pina Colada Lip Balm

❖ **Why she'll love it:** It evokes paradise! The coconut oil leaves lips kissably soft, and the luscious scent transports you to a tropical isle!

What you'll need:

- ❑ 2 tsp. coconut oil
- ❑ 1/4 tsp. pineapple extract (such as Bakto Natural Pineapple Extract, \$4.75, BakToFlavors.com)
- ❑ 2 tsp. grated beeswax (found at craft stores)
- ❑ Small, microwave-safe reclosable jar

Make it easily:

1 Mix all ingredients until will blended.

2 Pour into jar and heat in microwave until fully melted (about 1 minute for most microwaves).

3 Allow the balm to cool and solidify.

To use: Glide a dab of this tropical-scented balm over your lips for a glossy, gorgeous, look!

Keeps: Indefinitely.

Bonus recipe instructions!

—package and label instructions—

● Print and cut out label, *right*. (Manicure scissors will help.) Use *Beacon Gem-Tac glue* to decorate with 12 (3 mm) flatback Swarovski crystals in magenta AB. Apply glue with a toothpick. (Tweezers will help with placement.) Use *double-stick tape* or glue to stick label to a *small jelly jar*.

● Spray-paint the jar lid with *Krylon® Glitter Blast in Sparkling Waters (Aqua)*.
● Wrap 12" of 3/8" pink satin ribbon around the jar just below the lid. Tie a knot; cut ends in Vs. Glue a big pink rhinestone to the knot.
